 +351 911 530 924  
 [ruimvpinhoero9@gmail.com](mailto:ruimvpinhoero9@gmail.com)  
 Braga, Portugal

## WORK EXPERIENCE

### Askblue

Remote, Portugal  
2021 – Current

### Consultant

Developed Vue.js-based insurance simulators for a major insurer, optimizing UI scalability with Vue Router and Sass, and integrating RESTful APIs.  
Contributed to a React-based digital signature feature by improving system resilience, optimizing workflows, and fostering collaboration to refine business logic. Developed reusable React components and enhanced frontend performance.  
Worked on a .NET API project, focusing on file handling and automated testing with SoapUI.

### iBase – Software Solutions Trainer and Frontend Developer

Braga, Portugal  
2021 – 2021

Developed and maintained auction websites with jQuery and Bootstrap. Responsible for client training and creating documentation on *iBase Software Jurídico*, enabling clients to troubleshoot issues more efficiently.

### UNIFY

Famalicão, Portugal  
2020 – 2021

### Frontend Developer

Worked closely with the design team to develop custom websites, ensuring seamless user experiences and optimal performance. Provided ongoing support and created user manuals.
